

Notice to the Trade

Effective July 27th, 2019 the following tariff change will apply to the consignees receiving cargo or delivering cargo at Luis A. Ayala Colon Sucrs., Inc. San Juan Terminal facility to all the container lines:

Terminal Storage Charges:

Container Storage (non-dangerous cargo) 7 calendar days free time period as per schedule tariff. See note below.

Storage Costs after the expiration of the free time:

Day 1 - 5 \$25.00 per container/day or fraction thereof

Day 6 - on \$35.00 per container/day or fraction thereof

Containers with Dangerous Cargo, 7 calendar days free time period as per schedule tariff. See note below.

Storage Costs after the expiration of the free time:

Day 1-5 \$40.00 per container/day or fraction thereof

Day 6- on \$55.00 per container/ day or fraction thereof

Containers with Certain Dangerous Cargo, 7 calendar days free time period as per schedule tariff. See note below.

Storage Costs after the expiration of the free time:

Day 1-5 \$50.00 per container/day or fraction thereof

Day 6- on \$75.00 per container/ day or fraction thereof

Note: As per Item 200 of our Schedule Tariff: The free-time period for incoming cargo will commence at the midnight after the vessel from which it has been landed finished unloading, or vacates her berth, whichever happens first, and the free time for outgoing cargo will commence on the first midnight after the merchandise is placed on the pier or pier premises.

The following tariffs continue without changes:

Chassis Rental:

First 5 calendar days: flat fee of 15.00 USD per chassis per calendar day

After the first 5 calendar days: flat fee of 25.00 USD per chassis per calendar day

Terminal Maintenance Fee: \$15.00 per full unit

Terminal Security Fee: \$10.00 per full unit

Monitoring and Reefer Connection (after free time as freighted)):

Day 1 to 5 60.00 USD per container/per day

After day 5 75.00 USD per container/per day
